School districts are immune from liability except when property damage, personal injury or death is caused by a district employee's negligent operation of a motor vehicle while performing district duties. As a result, and as a general rule, the District cannot pay for medical treatment for injuries resulting from activities not directly caused by a district employee's use of a motor vehicle. In case of emergency, I give my approval and authorization for first-aid treatment and any medical treatment of the student named above (the "Student") by local physicians and/or hospitals, including surgical procedures. I agree to accept responsibility for payment of all charges incurred during medical treatment.

I hereby agree to release North East Independent School District and its trustees, employees, volunteers, and sponsors (collectively, the "Indemnitees"), and to indemnify and hold the Indemnitees harmless from, all claims, liabilities, and expenses, (including (a) claims made by the student named above after reaching the age of majority, and (b) claims for damages caused in whole or in part by the negligence of the Indemnitees) relating in any way to the student's participation in the field trip identified herein.
